- Join our community and receive our news, targeted invitations...

Registration is free on www.abg.asso.fr

Over 23,000 recruiters on the website

ABG was created in 1980 to:

- **bring together academia and industry**
- **facilitate the career development and intersectoral mobility of PhDs ;**
- **help companies recruit PhDs.**

To do so, ABG develops specific training sessions for PhDs and has a bilingual job board.

ABG is supported by the French Ministry of Research and Higher Education, the French Scientific Research Center (CNRS), public and private sectors.
