Afrisnet, in collaboration with EURAXESS North America, invites you to join two online seminars on education, research career prospects, and respective funding in the European Union, to be held on **August 7** (focusing on France) **and on August 14** (focusing on Germany).

In addition, on both dates, EURAXESS North America will present funding mechanisms of the European Commission as well as EURAXESS services such as a free job portal for research opportunities across Europe.

Both events will start at 4 pm GMT. Please register as soon as possible by clicking on the below link and registering for one or both events:
